
Having to pay for this yourself is even more deflating

Buick Tire & Wheel Protection[1] can help. It can provide for the repair or replacement of tires and wheels if structurally damaged by a covered road hazard. And they're installed by the experts who know your vehicle best. **It's the only Tire & Wheel Protection Plan endorsed by Buick.**

Tire & Wheel Protection

- **No deductible, mileage limitations or limit** on the number of covered structural-damage claims
- Available for new, pre-owned and leased vehicles
- Choose coverage from 1 to 7 years[2]
- Covers costs or replacement of mounting, balancing, valve stems, environmental fees and taxes
- Repaired/installed by Buick Certified Service experts

Pick the plan that best suits your needs — and your budget.
