¹ Estimates based on GM testing. Official EPA estimates not yet available. ² Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information. ³ Visit onstar.com for coverage map, details and system limitations. ⁴ Go to gm.com/bluetooth to find out which phones are compatible with the vehicle. ⁵ Requires a subscription sold separately by XM after the first 90 days. Available only in the 48 contiguous United States and the District of Columbia. Visit gm.xradio.com for details. ⁶ Map coverage not available in Puerto Rico, the Virgin Islands and portions of Canada. ⁷ Not compatible with all devices.
