

Congratulations on your Buick Protect it for the road ahead

There's nothing like that new car feeling. And to help preserve its appearance and performance, we created the **Buick Protection Plan**.¹ It provides extended protection on top of the manufacturer's limited warranty — helping you avoid the high costs of repairs down the road. **It's the only Protection Plan backed by Buick.**

Protection Plan

- Lease-friendly, long-term and low-mileage plan options available
- **Choose your deductible**
- **Platinum and Silver mechanical repair coverage** including parts and labor for **up to 8 years or 100,000 miles**, whichever comes first²
- Rental car coverage reimburses you up to \$40 per day (max. 10 days³)
- **24-hour Roadside Assistance**,⁴ up to \$100 per occurrence
- Trip interruption reimbursement up to \$200 a day (max. 5 days) if you break down 100 miles or more from home⁵

Pick the plan that best suits
your needs — and your budget.

BUICK Protection

¹ The Buick Protection Plan is optional and is not insurance. All transactions related to the Buick Protection Plan product are governed solely by the provisions of the Buick Protection Plan Vehicle Service Contract ("Agreement"). This document provides general information only. Refer to the Agreement for full terms, conditions, and coverage details, including limitations and exclusions. Coverage may vary by state. Not all vehicle models may be eligible for coverage. Please see your dealer for more information, including limitations and exclusions. The Obligor of the Buick Protection Plan is GM Protections, LLC, 801 Cherry Street, Suite 3500, Fort Worth, TX 76102, 1-833- 959-0104. The Administrator of the Buick Protection Plan is Safe-Guard Products International, LLC, Two Concourse Parkway, Suite 500, Atlanta, GA 30328, 1-833-959-0104, 1-833-959-0104. ² Protection Plan coverage runs concurrently with any applicable manufacturer's warranties. ³ In the event of a covered breakdown, rental car expenses up to \$40 per day (max. 10 days) are included in the plan (excludes fuel, collision damage waivers, and optional insurance charges). Authorization required. Exclusions apply. See your dealer for details. ⁴ Roadside Assistance services may not be available in all states. ⁵ If required due to a covered mechanical breakdown (max. 5 days). Not available to residents of NY.

Provides extended coverage beyond your warranty for up to 8 years or 100,000 miles, whichever comes first¹

Platinum and Silver coverage includes all mechanical parts of your vehicle in the event of a mechanical breakdown, unless they are specifically listed as “not covered” in your Customer Agreement (such as maintenance and cosmetic items).^{2,3}

The Buick Protection Plan covers up to 1,500 parts and components on your vehicle depending on which plan you select.

Engine

- All internal fasteners, nuts and bolts
- Balance shaft
- Boost pressure control
- Camshaft(s), camshaft bearings, buttons and plugs
- Common fuel rails
- Connecting rods and rod bearings
- Crankshaft, pulley, main bearings, caps and bolts
- Cylinder head and gasket
- Emissions-reduction fluid tank, injectors, sensors (including diesel, nitrogen oxide [Nox] and exhaust) and the exhaust particulate filter
- Engine block
- Engine mounts
- Engine oil cooler
- Engine oil cooling hoses and lines
- Flex plate/flywheel and ring gear
- Fuel filter assembly
- Fuel injection control module
- Fuel temperature sensor
- Function block
- Glow plug control system: control/glow plug assembly, glow plugs, cold advance relay and engine control module
- Harmonic balancer
- Intake and exhaust valves
- Intake manifold and exhaust manifolds
- Integral oil cooler
- Oil pan
- Oil pump, cover, gears, pressure relief valve and screen
- Pistons, piston rings, pins and cylinder sleeves
- Pushrods and lifters
- Recirculation and blow-off valve
- Rotor housing, rotors, shims and silent shaft
- Seals and gaskets
- Springs, guides, adjusters, retainers and seats
- Thermostat
- Thermostat housing
- Timing gears and timing chain or belt
- Transmission adapter plate
- Turbocharger/supercharger assembly, including boost valve and wastegate
- Valve, timing and side covers
- Water pump and pulley

Drive Axle

- Axle flange
- Center support bearings
- Constant velocity joints and slip joint
- Couplings
- Cover
- Flex disc
- Front-wheel drive axles/halfshafts
- Gaskets and seals
- Limited-slip clutches
- Pins and retainers
- Plates and springs
- Prop shafts
- Ring and pinion gear/carrier assembly
- Spider gears and bearings
- U-joints
- Wheel bearing

Front and Rear Suspension

- Accumulator, lines and bags
- Ball joints and bushings
- Coil and leaf springs, seats and bushings
- Electronic level control components, including pump, accumulator, lines and bags
- Housing and cartridge
- Shafts and bushings
- Shock absorbers
- Spindle/steering knuckle and spindle support
- Stabilizer bar, links and bushings
- Struts
- Struts and shock absorbers housing and cartridge
- Tension rods/radius arm and bushings
- Torsion bar
- Torsion bar mount and bushings
- Track bar
- Upper and lower ball joints
- Upper and lower control arms, shaft and bushings
- Wheel bearings

Transmission

- Accumulators and rings
- Adjusters
- All internal fasteners, nuts and bolts
- Automatic transmission/transaxle clutch, drums, pistons and steel plates
- Bands
- Bearings and bushings
- Blockers contained within transfer case
- Control rings
- Extension housing
- Governor, gear and cover
- Kickdown cable
- Oil pan
- Oil pump, cover, gears, housing and vanes
- Parking gear and pawl
- Planetary and sun gears
- Pressure regulator valve and pressure switches
- Roll pins, sprags, sprockets, chain and springs
- Seals and gaskets
- Separate bell housing
- Servos and rings
- Shift cover and forks
- Solenoids
- Speedometer drive gears and sensor
- Stator and shaft
- Supports and shafts
- Synchronizer hubs and keys
- Torque converter
- Transfer case and all internal parts
- Transmission cooler hose
- Transmission mounts
- Transmission oil cooler
- Transmission/transaxle case and all internally lubricated parts, including ring and pinion gears
- TVI/throttle cable
- Vacuum modulator
- Valve body(s), throttle valve and valve pack
- Yoke

Climate Control

- Accumulator
- Air conditioning/heater blower motor, pressure lines and hoses
- Automatic temperature control sensor
- Bearing and pulley
- Blower motor
- Clutch assembly, including coil, disc and pulley
- Compressor mounting brackets
- Compressor, condenser, evaporator, seals and gaskets
- Control cables
- Cutoff switch
- Heater blower motor
- Heater core
- Idler pulley and bearings
- Manual climate control unit
- Orifice tube, expansion valve and gaskets
- Pressure lines and hoses
- Receiver drier
- Serpentine belt tensioner
- Temperature control head

Electrical Systems

- Air control solenoid
- Air regulator valve
- Alarm system or electronic entry systems, including remote entry receiver, sender and module
- Alternator housing, bearings, bushings, brushes, rectifier bridge and diodes
- Alternator mounting bracket
- Brake light switch
- Convertible top and sunroof motor
- Coolant temperature sensor
- Cooling fan relay
- Crank angle and camshaft position sensors
- Cruise control module, servo, cables and switches
- Door lock actuators
- Electrical headlamp motors
- Electronic control modules, including body control module, electronic control unit, powertrain control module and transmission control module
- Electronic ignition and instrument panel modules
- Electronic throttle control module
- Engine and suspension electronic control modules, including body control module and thermo time switch
- Engine distributor, including shaft, gear bushings and modules
- Field coil and rotor
- Front and rear wiper motor, transmission and linkage
- Fuel pulse dampener
- Fuel pump relay
- Glove box light and courtesy light switches
- Horn and relay
- IAC motor
- Ignition coil
- Ignition lock cylinder
- Instrument cluster, including speedometer, odometer, tachometer and all gauges and warning indicators
- Knock sensor and barometric pressure sensor
- Manifold differential pressure sensor
- Manually operated switches
- MAP sensor
- Mirror motor switch
- Neutral safety switch
- Oil pressure sending unit
- Oxygen (O2) and mass air flow sensors
- Power seat monitor
- Power sliding door motor and switch
- Power trunk/hatch release motor, switch and solenoid
- Power window and lock switches
- Power window motor
- Rear window defogger
- Ride height sensor and relay
- Starter motor housing and all internal parts, including brushings, field windings, starter drive and solenoid
- Steering column multifunction switch and individual switches for turn signal, headlamp, dimmer, wiper, washer and speed control
- Throttle position and vehicle speed sensors
- Throttle position motor
- Voltage regulators
- Wide-open throttle switch
- Window regulators
- Windshield washer pump

Audio/High Tech

- Driver vehicle information display
- Blind-spot module
- Collision-avoidance module and sensors
- Parking assist module and sensors
- Forward and rear vision cameras
- Keyless entry antenna module
- Receiver
- Transmitter alarm module and siren
- Radio
- Antenna
- Amplifier
- Speakers and LCD display
- Communications control module
- Cellular phone microphone

Navigation System Components

- GPS antenna
- Navigation computer and display

Fuel Systems

- Fuel injectors and seals
- Fuel injection control module
- Fuel pulse damper
- Fuel pump
- Fuel pump relay
- Fuel rail and fuel distributor
- Throttle body/control module
- TVI/throttle cable

Seals and Gaskets

- Engine oil pan and gasket
- Head gasket
- Rear main seal
- Timing cover seal
- Valve cover gasket
- Water outlet gasket

Powertrain

Silver

Platinum

BUICK Protection

¹ Buick Protection Plan coverage runs concurrently with any applicable manufacturer's warranties. ² Please consult your Customer Agreement for specific service contract details, including limitations and exclusions. ³ Under Powertrain and Silver coverages, only the specific parts listed in the Agreement are covered. Under Platinum coverage, any of the following parts are excluded: friction clutch disc, pressure plate and clutch release bearings, hinges, glass, glass framework and fastening adhesives, lenses, body parts and/or panels, alignment of body parts, flexible body parts, structural framework, convertible top framework, structural welds, removable hardtop assemblies, bumpers, trim, moldings, weather strips, door panels, door handles, door lock cylinders (other than ignition lock cylinders), tires, wheels, wheel rims, wheel covers, wheel balancing, wheel alignment, batteries (Including 12-volt and hybrid batteries), spark plugs, distributor caps, wiper blades, brake pads, linings, rotors and drums, lights, headlamps, sealed beams, fuses, bulbs, LEDs, filters, lubricants or fluids not replaced in conjunction with a covered repair, upholstery, carpet, vinyl and convertible tops, outside ornamentation, paint, chrome and other bright metal, sheet metal, freeze plugs, heater and radiator hoses, exhaust system, catalytic converter, software updates related to multimedia system (unless a "malfunction indicator" light is on or your vehicle does not operate properly), and non-factory equipment. Fully electric vehicles, including electric batteries, are excluded from coverage under this Protection Plan.
