

EXPERIENCE  THE NEW BUICK

2 0 1 7 B U I C K
ENCORE

The new 2017 Buick Encore is a modern expression of Buick's beautiful aesthetics. Sleek, sculpted and offering you flexible room for up to five, Encore is where **LIFE MEETS STYLE.**

With its advanced technology, refined comfort, spacious storage and nimble maneuverability, Encore is luxury that's easy to move with.

The new Encore's available direct-fuel-injection
1.4L turbocharged engine is **THE MOTIVATING
FORCE THAT DRIVES YOUR DAY.**

It has efficient performance, offering an EPA-estimated 33 mpg hwy.
And with the available All-Wheel Drive, an EPA-estimated 31 mpg hwy
and confidence come along for the ride.

REFINED

WHAT SETS THE NEW ENCORE APART IS SOMETHING YOU CAN FEEL.

Walk up to the new Encore and you'll see how its beautifully sculpted shape flows smoothly from the grille to the rear, giving this crossover a fluid, contemporary look. As you approach Encore, it recognizes you. Sensing the key fob in your pocket or purse, the new Keyless Open feature unlocks the doors so you don't have to fumble for your keys—just simply press the button and open the doors.

Now get inside, press the push-button start and drive. That's when you'll discover what premium feels like. Each sensation adds to the impression that what you're driving has been crafted with meticulous attention to every detail. And whether you're glancing at a gauge, touching a switch or enjoying the responsive, efficient performance, what's likely to impress you most is how quiet things are inside Encore. That's Buick QuietTuning™ and Bose® Active Noise Cancellation working behind the scenes.

- The newly designed front appearance provides a modern expression of luxury.
- LED daytime running lamps in Encore feature Buick's unique signature lighting, while standard LED-accented taillamps echo the front's sculptural design. You'll see and be seen in the best light.
- The 18-inch 10-spoke wheels complement Encore's brand-new styling and are sure to leave a lasting impression.

From your early a.m. trips to the gym all the way through to those dinner dates with someone special, you're on the go. But **THERE'S ONE PLACE YOU KNOW YOU CAN RELAX:** your Buick Encore.

With its agile size and advanced smartphone integration, the new Encore makes getting around town feel effortless.

The feeling of refinement starts the moment your hands brush the raised stitching of the leather-trimmed steering wheel—your first encounter with Encore’s soft-touch premium materials. Turn on the available heated driver and front-passenger seats and **A SENSE OF WELL-BEING ENVELOPS YOU.** Available leather-appointed seats add another layer of luxury. Now look around you: A 4.2-inch diagonal Driver Information Center and an 8-inch diagonal color touch-screen display give you complete control and information at a glance.

CAPACITY

ENCORE CAN SPORT FIVE PEOPLE AROUND TOWN IN STYLE, HAUL LOADS OF CARGO WITH EASE—OR DO A BIT OF BOTH.

Your life is versatile: one evening you're piloting everyone to the concert venue. The next morning you're up early to load a week's worth of provisions at the farmers market. That's why with the 60/40 split rear seat folded flat, the 2017 Encore offers up to 48.4 cubic feet of storage space.¹ So whether you need to seat your friends in spacious comfort or load new furniture into the surprisingly spacious cargo area, the new Encore easily adapts. Need to carry extra-long items? The front-passenger seat folds flat to accommodate cargo up to 8 feet long.¹

¹Cargo and load capacity limited by weight and distribution.

SCULPTED

THE NEW ENCORE'S INTERIOR IS SOPHISTICATED IN LOOK, PREMIUM IN FEEL AND PRECISE IN ITS EXECUTION.

The new Encore's available leather-wrapped heated steering wheel is a clear indication you've entered a world where premium materials, carefully sculpted appointments and a quiet, surprisingly spacious cabin make every drive worthwhile.

The instrument panel and center console forms are artfully sculpted and offer an effortless interface with the infotainment technologies. All of this creates a first-class cabin experience. Available heated driver and front-passenger seats are perfect for those brisk mornings. You can even start your Encore from a distance, thanks to the available remote-start feature that also lets you activate the climate-control system.

- A fully integrated instrument panel flows across the interior and incorporates a new gauge cluster with a 4.2-inch diagonal color Driver Information Center.
- The center console blends with the instrument panel to offer more intuitive access to controls for the audio and climate systems, along with the frameless 8-inch diagonal color touch-screen.
- Buick's QuietTuning with Bose Active Noise Cancellation technologies help keep the cabin quiet enough for relaxed conversations.
- Use your voice to play your favorite music or make hands-free calls on the Buick IntelliLink¹ system.

INTUITIVE

LET YOUR VOICE BE HEARD. IT'S ALL YOU NEED TO ACTIVATE FEATURES OF ENCORE'S ADVANCED AUDIO AND INTEGRATED SMARTPHONE SYSTEMS.

New for 2017, Encore now offers Apple CarPlay™ and Android Audio™ compatibility.¹ With Apple CarPlay™, the apps you love on your iPhone® come alive through Siri® or the built-in display. And with Buick IntelliLink,² many of the features can be managed three ways: using the 8-inch diagonal Color Touch Radio screen, steering-wheel-mounted controls or intuitive natural-language voice commands. Your voice commands come through clearly, too, thanks to QuietTuning, our exclusive process that keeps cabin noise to a minimum.

HOME PAGE PERSONALIZATION keeps the Buick IntelliLink² features you use most front and center for access by simply reconfiguring its customizable home page using the color touch-screen.

BUICK INTELLILINK² offers the entertainment of SiriusXM Satellite Radio³ with Travel Link, with more than 140 channels, including commercial-free music, plus talk, sports, news, weather and more. IntelliLink's customizable app tray allows you to organize the home screen according to your preferences.

¹Vehicle user interfaces are products of Apple® and Google® and their terms and privacy statements apply. Requires compatible smartphone. Data plan rates apply. ²Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. ³SiriusXM audio and data services each require a subscription sold separately, or as a package, by SiriusXM Radio, Inc. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change. Encore has carved its niche by offering the premium features typically associated with larger luxury SUVs but with greater maneuverability. Its size, tight turning radius and standard features such as a Rear Vision Camera mean Encore is ideal for those who live life in the city.

PROTECT

ENCORE SURROUNDS YOU AND YOUR PASSENGERS WITH AVAILABLE ADVANCED SAFETY TECHNOLOGIES.

Encore has its priorities in the right place: everywhere. In the new center-mounted 8-inch diagonal color touch-screen display, the standard Rear Vision Camera helps you see what's behind your Encore, and available Rear Cross Traffic Alert helps make you aware of oncoming traffic when backing up. Other confidence-enhancing safety technologies include available Forward Collision Alert, Lane Departure Warning and Side Blind Zone Alert.

These safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for important feature limitations and information.

◆ **SIDE BLIND ZONE ALERT** Using radar technology to help you avoid a collision, available Side Blind Zone Alert warns you when vehicles entering your blind zone are detected on either side of your Encore. A warning icon appears in your outside rearview mirror.

■ **FORWARD COLLISION ALERT** When you're approaching a vehicle ahead of you too quickly, available Forward Collision Alert lets you know with both an audio and visual warning. Consider it a high-tech way of reminding you to slow down and enjoy the ride.

■ **LANE DEPARTURE WARNING** Available Lane Departure Warning provides both an audio and visual alert should your Encore drift out of its lane without you first having activated your turn signal.

CONNECT

THE AVAILABLE WI-FI® HOTSPOT¹ PROVIDES A MORE POWERFUL CONNECTION THAN A SMARTPHONE OR MOBILE HOTSPOT.

The available Wi-Fi hotspot¹ now travels with you. Stay connected and move effortlessly from home to work to just about anywhere without losing touch. Stream movies and TV on the go, using your favorite apps on your Wi-Fi devices.

The available built-in Wi-Fi hotspot¹ supports up to seven devices, so your passengers can surf, scan, create, post and game their way through any journey at 4G LTE speed.

Any time your vehicle is on, or in accessory mode, your hotspot is available and ready to connect to your devices, so it's easy to use. Our strong signal means you have a fast and reliable connection. And because the built-in Wi-Fi hotspot is powered by your vehicle, you're not reliant on your mobile device battery.

Vehicle must be on or in accessory mode to access Wi-Fi.[®]

ONSTAR SAFETY AND SECURITY

As you travel with the ones you care about most, available OnStar^{®1} is with you to empower every moment. With a paid OnStar service plan, you can have a 24/7 lifeline to specially trained Advisors, ready to help if you've been in a crash, your car's been stolen, you're lost or you need Roadside Assistance.²

EMERGENCY HELP WHEN IT MATTERS MOST Using built-in sensors, Automatic Crash Response³ can connect you to an Emergency Medical Dispatch-Certified Advisor⁴ immediately after a crash to help get you the care you need, even if you can't ask for it. Using Injury Severity Prediction technology, these specially trained Advisors⁴ can notify first responders about the likelihood of serious injury so they can provide help right away. You can feel confident knowing you have a team, 24/7, to get you the assistance you need.

SECURITY YOU CAN COUNT ON If your vehicle is stolen, you can be assured OnStar Advisors are ready to take action. Once a vehicle is reported stolen, OnStar Advisors can work with the police to quickly recover it. They can use GPS technology to pinpoint its location, slow the vehicle if conditions are safe and even prevent it from being restarted.⁵ And with Theft Alarm Notification,⁶ if your vehicle alarm sounds, we can let you know via text, email or a phone call. One simple call puts a team into action to help recover your vehicle quickly and safely.

¹Visit onstar.com for coverage map, details and system limitations. Services vary by model. Service plan required. ²Roadside service provided by Allstate Roadside Services. Limitations and restrictions apply. ³Visit onstar.com for vehicle availability. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. ⁴OnStar Advisors are certified by the International Academies of Emergency Dispatch. ⁵Services are subject to user terms and limitations and vary by vehicle model. Requires subscription to Security Plan, Guidance Plan or Safety & Security Plan. These services are intended to assist with vehicle recovery and do not prevent theft or protect against damage or loss. Visit onstar.com for more details. ⁶Requires armed GM factory-installed theft-deterrent system; subscription to Security Plan, Guidance Plan or Safety & Security Plan; and selection of notification communication preference(s). Additional messaging and data rates may apply. Visit onstar.com for more details.

IMPORTANT WORDS ENCORE INFORMATION.

Since some information may have been updated since the time of printing, please check with your Buick dealer for complete details. Buick reserves the right to lengthen or shorten the model year for any product for any reason, or to start and end model years at different times.

NEW-VEHICLE LIMITED WARRANTY This warranty is for GM vehicles registered in the USA. See your Buick dealer for terms and conditions.

4 years/50,000 miles (whichever comes first): Bumper-to-Bumper Limited Warranty. The entire vehicle is warranted for repairs, including parts and labor, to correct defects in materials or workmanship. The warranty covers towing to the nearest Buick dealership, and there is no deductible for warranty repairs during the warranty period. The warranty transfers automatically with vehicle ownership during the warranty period.

6 years/70,000 miles (whichever comes first): Transferable Powertrain Limited Warranty plus Roadside Assistance and Courtesy Transportation.

6 years/100,000 miles (whichever comes first): Body and sheet metal components are warranted against rust-through corrosion.

EXPERIENCE BUICK PROTECTION Every 2017 Buick model includes a maintenance program that covers the first two visits of oil and filter changes, tire rotations and 27-point inspections for up to 2 years or 24,000 miles, whichever comes first (does not include air filters). The program is fully transferable to subsequent owners. See participating dealer for other restrictions and complete details.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES

Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New-Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.

ASSEMBLY Buick vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Buick vehicles with different or differently sourced components than originally scheduled. Since

some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

ENGINES Buick products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Buick products may also be used in other GM makes and models.

TRAILERING AND OFF-ROAD DRIVING INFORMATION Please go to buick.com and carefully review the vehicle Owner's Manual for important safety information about trailering or off-road driving in your vehicle.

A NOTE ON CHILD SAFETY Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your vehicle Owner's Manual and child safety seat instructions for more safety information.

FLEET ORDERS Some standard content may be deleted with fleet orders. See dealer for details.

TAKE OWNERSHIP TO THE NEXT LEVEL Create an Owner Center account to gain unrestricted access to everything you need to get the most out of your new vehicle.
