TURBOCHARGED PERFORMANCE WITH A FLAIR FOR FUN

CARVE YOUR OWN PATH Come for the sporty performance. Stay for the nimble maneuverability. Encore rewards in so many ways that it makes every ride a joyride, starting with a 1.4L turbocharged engine that delivers 138 horsepower, 148 lb-ft of torque and an EPA-estimated mpg of 25 city/30 hwy (FWD). Add a tight turning radius and you have what it takes to savor every twist and turn the road has to offer.

ALL-WHEEL DRIVE To optimize traction, available All-Wheel Drive constantly monitors all four wheels and transfers power among wheels when needed.

STABILITRAK To help you stay confidently in command of the road ahead, the StabiliTrak stability control system applies quick, precise force to the brakes when it senses a difference between the direction of the wheels and the steering wheel.

SMALL TOUCHES AND LARGE STATEMENTS

QUIETTUNING™ TECHNOLOGY Buick QuietTuning technology with Active Noise Cancellation helps reduce, block and absorb unwanted noise by utilizing many measures, including triple door seals and acoustic laminated glass. A hushed cabin means you can better enjoy conversations, quiet time or Encore's sound system.

POWER MOONROOF Treat your passengers to expansive views and fresh air with just a press of a button of the available power moonroof.

KEYLESS OPEN AND START Never fumble for your keys again. Keyless open and start allow you to quickly start and lock/unlock your Encore and access your liftgate without removing the key fob from your pocket.

ADD STYLE TO YOUR EVERY MOVE

WELL-SUITED FOR ANY TASK Encore gives you roomy seating for up to five. So whether you need to seat your friends in surprisingly spacious luxury or load your belongings into the cargo area, Encore easily adapts.

FLEXIBLE CARGO SPACE The 60/40 split rear seats fold to create up to 48.4 cubic feet of cargo volume.¹ Need to store your smaller valuables? There's an available cargo pullout under the front-passenger seat.

SECURITY COVER To help protect your possessions, cover your cargo area with the available cargo shade.

EXTRA-LONG CAPACITY You've got things to carry. Encore is here to help. The front-passenger seat folds flat to accommodate items up to 8 feet long!¹

¹Cargo and load capacity limited by weight and distribution.

For a detailed look at the active safety technologies available in the 2020 Encore, please visit buick.com/encore/safety.

¹A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and child safety seat instructions for more safety information.

Safety or driver-assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.
